TESTIMONIALS OF OUR STUDENTS

SevenMentor Institute is the best Institute in Pune. I am a working profession but whenever I miss the class after words they have given me the revision sessions also. So it is great think for learning freshers & employed. They are taking Mock Interviews & Project submissions to prepare whatever we have studied. In the previous days I was confuse with my career path but when I visit to Seven Mentor Institute they have clear my doubt as well as they have guide me for my Future Career path. Thank you so much SevenMentor Institute for your valuable guidance.....

I recently completed the Machine Learning course offered by SevenMentor Institute and I must say it exceeded my expectations in several ways. The support provided throughout the course was exceptional. The discussion forums were active, and the teaching assistants were prompt in addressing queries. The course materials, including lecture slides, readings, and additional resources, were well-curated and contributed significantly to a well-rounded learning experience. In conclusion, the Machine Learning course from SevenMentor Institute is a fantastic resource for anyone looking to dive into the world of machine learning.

SAURABH NIBUDE

I completed python programming course from Sevenmentor. A very good institute to learn python. As here I learn basic python with introduction of advance python, which is very useful for an interviews. Trainers explained each and every concept with real time examples with real time tools from basics which helps us to gain more knowledge on real time experience. Teacher are good you are in safe hands. Trainer has a very good knowledge in this field.

I recently completed the Data Science course at SevenMentor Institute and had the privilege of securing a placement as a Data Scientist Intern. I cannot express enough how grateful I am for the exceptional training and support provided by SevenMentor. If you aspire to excel in the field of data science and secure a rewarding career, I highly recommend this institute.

LALIT DODAKE

SevenMentor is the best Institute in Pune for Data Science course! The instructors are experts in the field and the curriculum is well-structured, covering key concepts and practical applications. The hands-on projects and real-world examples provided a solid foundation. I feel equipped and ready to tackle data challenges. Highly recommend for aspiring data scientists!!

Akash Bhojar

SevenMentor's Python course offers an excellent foundation for individuals aspiring to embark on a career in big data analytics. The instructors were knowledgeable and demonstrated a deep understanding of Hadoop's ecosystem. They effectively communicated complex concepts, making them easier to understand. For Python learning, I always recommend this institute. This institute has well-knowledgeable faculties and it was a great experience for me to get knowledge from seven mentor.
